6. Discussion Items

a. Transportation Development Act 2% Bicycle and Pedestrian Set-Aside

Staff provided the TAC with options for increasing the funding reserve in the 2% Bicycle and Pedestrian Set-Aside fund and asked for direction from the TAC. The TAC directed staff to renew the 50/50 option starting with the next round of 2% Bike and Pedestrian Call for Projects. 50% of the set-aside will be reserved for trail maintenance projects until the reserve reaches \$1 million. The remaining 50% will be available each year for jurisdictions to submit project requests.

7. HCAOG Executive Director and Staff Reports

Executive Director Brendan Byrd discussed the following:

- The Request for Proposals for the Loleta Safe Routes to School Project will close on February 19th and will come back to the TAC to consider awarding a contract in March.
- McKinleyville Community Services District has requested TAC membership. This will be reviewed and brought back to the TAC at the next meeting.
- The Vision Zero Action Plan is progressing and upcoming discussions will take place regarding the list of intersections and segments which will be analyzed and assigned countermeasures as part of this project.
- Reminders about new Brown Act requirements for the new year including that voting members attending online must have their camera on during the entire meeting.

Senior Regional Planner Oona Smith discussed the status of the Partnering Assets and Authorities for Comprehensive Transit (PAACT) project.

8. TAC Member Reports

Catharine Crayne announced multiple funding opportunities and updates on the Strategic Transportation Planning Grant applications and the District Transit Plan.

Katie Collender discussed Humboldt Transit Authority's microtransit program.
