Staff’s Recommended Action:

Motion to be approved by consent:

“The PAC recommends that the HCAOG Board adopt Resolution 26-05 approving the City of Blue Lake’s FY 2025-26 LTF claim in the amount of \$43,271.”

Staff Summary:

The Transportation Development Act (TDA) provides funding for public transportation in California and those funds are administered by Regional Transportation Planning Agencies. Local Transportation Funds (LTF) revenues are derived from a 1/4 cent of the general sales tax collected statewide. LTF funds are held in a separate account at the County Auditor’s office. HCAOG’s role is to ensure that claim forms submitted conform to TDA regulations and to request payment submission to jurisdictions from the County Auditor.

In February 2025, the HCAOG Board adopted Resolution 25-02, approving the TDA LTF findings of apportionment and allocation for FY 2025-26.

Staff reviewed City of Blue Lake’s LTF claim in the amount of \$43,271 and find the claim in accordance with the TDA Guidelines and HCAOG's TDA Rules and Regulations and recommend approval.
