SSTAC COMMITTEE
611 I Street
Eureka, CA 95501

Good afternoon,

I am writing to formally resign from my voting position on the Social Services Transportation Advisory Council (SSTAC), effective immediately. I have greatly appreciated the opportunity to serve on this council and to contribute to the important work of improving transportation services in our community.

While I am stepping down from my voting role, I would like to continue participating in an advisory capacity if that is possible. I remain committed to supporting the council's mission and contributing to discussions where appropriate.

Thank you for the opportunity to serve and for your understanding of this decision.

Sincerely,

Catherine Sundquist
