JOSH MEYER

ABOUT OUR EXPERTS

Victor Dover, Founding Principal, Dover-Kohl & Partners: Victor Dover is a nationally recognized leader in city planning, neighborhood design, and street design. He has led more than 200 planning charrettes, co-authored *Street Design: The Secret to Great Cities and Towns*, and served as national chair of the Congress for the New Urbanism.

Dan Burden, Fellow, Blue Zones: Dan Burden is a pioneering voice in walkability, active transportation, and Complete Streets. TIME magazine named him one of the six most important civic innovators in the world, and the White House honored him as a Champion of Change in Transportation.

Josh Meyer, Program Director, CivicWell: Josh Meyer specializes in community design and planning for California's downtowns, transportation corridors, and rural communities. He develops educational resources on walkable streets, compact development, green infrastructure, and form-based codes.
