Eureka, CA 95501

FROM: Mike Foget, City Engineer

**RE: City of Blue Lake Application for Carbon Reduction Program (CRP) Funding**

Thank you for the opportunity to submit an application for funding that supports the reduction of carbon emissions in the City of Blue Lake (City).

The City would like to pursue funding for the purchase of two electric maintenance vehicles for its fleet: two Polaris Ranger XP Kinetic Premium vehicles (see attached Buyer's Order). The City recently retired one of its fleet trucks that was past its useful life (a 1993 diesel Ford F-250) and is now in need of replacement vehicles. The City would like to replace this with two alternative fuel vehicles that are efficient and useful to the needs of the City.

The City believes this request meets the intent of the CRP Eligibility list provided by the Humboldt County Association of Governments (HCAOG), consistent with the priority of deployment of alternative fuel vehicles.

The City is able to commit to the match requirements of this funding of 11.47%.

Cost of Vehicles	\$79,665
City Match (11.47%)	\$9,138
Funding Requested	\$70,527

If you have any questions don't hesitate to contact me at our Eureka office (707) 441-8855.

Sincerely,

Mike Foget, PE  
City Engineer
