What is Vision Zero?

Vision Zero is a Community driven effort to make our streets safer for everyone. It is a bold system-wide commitment to eliminate traffic fatalities and severe injuries, while increasing safe, healthy, and equitable mobility for all-because no loss of life is acceptable. The Humboldt Vision Zero Plan will outline strategies and potential design implementations in our communities to make our streets safer-whether you walk, bike, or drive.

What to Expect:

- Project overview and key goals
- Interactive stations to share your experiences and ideas
- Opportunities to ask questions and provide feedback

Why Your Voice Matters:

Local input is essential to make sure the plan reflects the real needs of our community.

Stop by and help shape a safer Humboldt for everyone.

All are welcome and drop in anytime!
