Staff's Recommended Action:

Motion to be approved by consent:

“The PAC recommends that the HCAOG Board adopt Resolution 24-13 approving requests in the amount of \$176,847 out of the TDA 2% Bicycle and Pedestrian fund.

Staff Summary:

Pursuant to HCAOG's adopted Rules and Regulations for the Administration of the Transportation Development Act, 2% of the available Transportation Development Act (TDA) Local Transportation Funds (LTF) is set aside for the exclusive use of projects aiding bicyclists and pedestrians.

Fifty percent of the yearly allocation was previously reserved in a set-aside fund intended for use if at any time an urgent regional priority project comes up. The reserve is now fully funded at \$500,000.

The available allocation this year is \$155,381. Four TDA claimants requested funds this year. The total funding request that was approved by the TAC for recommendation to the Board was \$176,847 which is \$21,466 above the available allocation amount. The TAC recommends pulling the additional \$21,466 from the reserve in order to fund these requests. The reserve fund will be replenished prior to allocating funds in FY 25-26.

The funding recommendations are summarized below.
