No response: 20

Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

Parents' opinions about how much their child's school encourages or discourages walking and biking to/from school

Parents' opinions about how much fun walking and biking to/from school is for their child

Parents' opinions about how healthy walking and biking to/from school is for their child

Comments Section

SurveyID	Comment
1635604	My child feels unsafe to walk home because of heavy traffic on Harrison and Henderson, that is why I don't like her to walk to/from school.
1635637	Mis hijas son purtas museres no me siento seguro que caminen solas.
1635485	Child also bikes and rides in a family vehicle to/from school.
1635533	The school in our neighborhood is supposedly full so my son goes to a school in our former neighborhood. Answers would be different if...
1635552	Not comfortable letting my child walk to or from school because of safety issues, no crosswalk, guards, blind spots and crime.
1635557	Not many breaks in traffic on Henderson and lighted cross walk warning doesn't help much. I would consider letting him walk with a friend's parent, but It would be hard to go with a baby and toddler daily.
1635620	Child is very good at looking both ways, sometimes has a hard time focusing. But for the most part he's pretty good.
1635502	My child is too young to walk or ride a bike to school. We live too far from the school. She also has disabilities and could not do this alone.
1635495	Wouldn't feel comfortable having my son walk in Eureka.
1632764	Lives in Fortuna, 22+ miles.
