Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

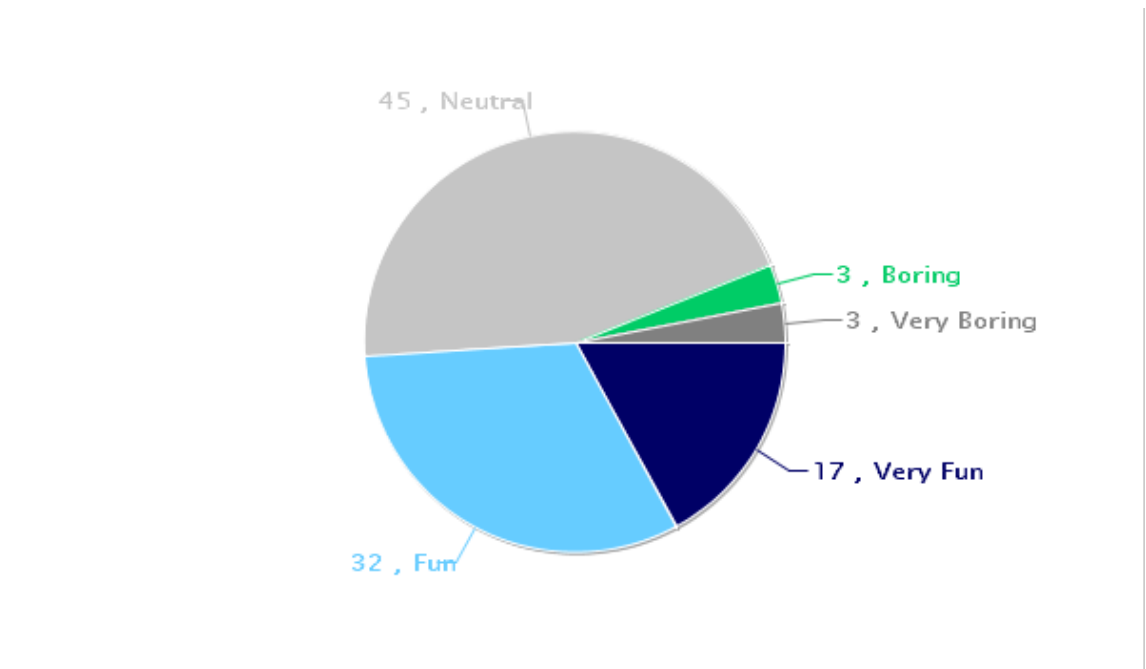

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

SurveyID	Comment
1586015	I love walking with my girls but I prefer to be with them when we walk.
1586227	I appreciate the bike lanes and sidewalks on Rohnerville Road and Ross Hill Road. We will use them - even if it isn't to get to school.
1586240	I will drop my child off and pick her up.
1586086	Having had trouble just walking in Fortuna sometimes and ideal with so many transients that I feel more safe to know my child is dropped of by me.
1586008	I'm sure my mind will change as my children grow older.
1586054	Mostly the crime (sex offenders, etc.) that affect my decision.
1586066	I do not feel comfortable allowing my child to walk or bike to school. She is too young.
1586118	Mostly the crime (sex offenders, etc.) that affect my decision.
1586121	We live too far.
1586168	Not sure why Question 15 is needed.
1586229	No sure why question 15 is needed.
1586264	People drive way too fast on Rohnerville Road. Nobody stops for anyone crossing. It is very dangerous. The school shouldn't encourage this unless there are crossing guards on Rohnerville at multiple spots.
1564936	We live too far from the school to consider walking. If we lived closer we would enjoy walking. Traffic on Rohnerville Road is too fast.
1586072	We don't live in the same town as the school.
1586075	We don't live in the same town as the school.
1586258	None at this current time.
1564938	Hard to answer since my child's only in 1st grade.
1586007	We live in Ferndale so our answers may not help.
1586062	We live in Ferndale so our answers may not help.
1586013	I can't let him play outside unattended. I wouldn't even consider Drake Hill Road or Rohnerville Road a safe biking or walking route.
1586205	I would allow my child to ride the bus or even walk if he had someone to walk with.
1586246	Currently in college. Also because I have 3 kids going to same school, I'm asked to only fill one survey. However, would have different answers for each child.

1586053	If we lived closer to the school we would consider letting her walk at a higher grade level. The sidewalks near the school are great. I have not noticed places to lock up bikes.
1586172	With the rate of speed people drive on Rohnerville Road I would never feel comfortable allowing my 3 kids to ride bikes to school
1564941	I would like him to walk to school when he's older. He will be at the campus three blocks from our house, so I will be more comfortable. He will be in 4th grade.
1586060	I would like to have a bus come to pick him up.
