**Re: Support for the City of Eureka South Gateway Clean  
California Grant**

Dear Mr. Elsmore:

The Humboldt County Association of Governments (HCAOG) is pleased to express support for the City of Eureka's Clean California Grant application for the South Gateway Improvements project.

The project includes the installation of a gateway monument at the south end of Broadway and will include landscape improvements along Herrick Avenue to the signal at Papa & Barkley.

Beautification of the south gateway of Eureka is a project that is included in the Regional Transportation Plan. It also compliments ongoing efforts by the City of Eureka, Caltrans and HCAOG to plan for and deliver improvements along the Broadway corridor that will beautify the space, create a sense of place, and improve the experience and safety for all road users.

HCAOG strongly supports the Clean California Grant application for the South Gateway Improvements project. It is included in the Regional Transportation Plan and furthers the objectives of the Regional Transportation Plan.

Sincerely,

Beth Burks, AICP  
HCAOG Executive Director
