Number of Questionnaires Distributed: 0

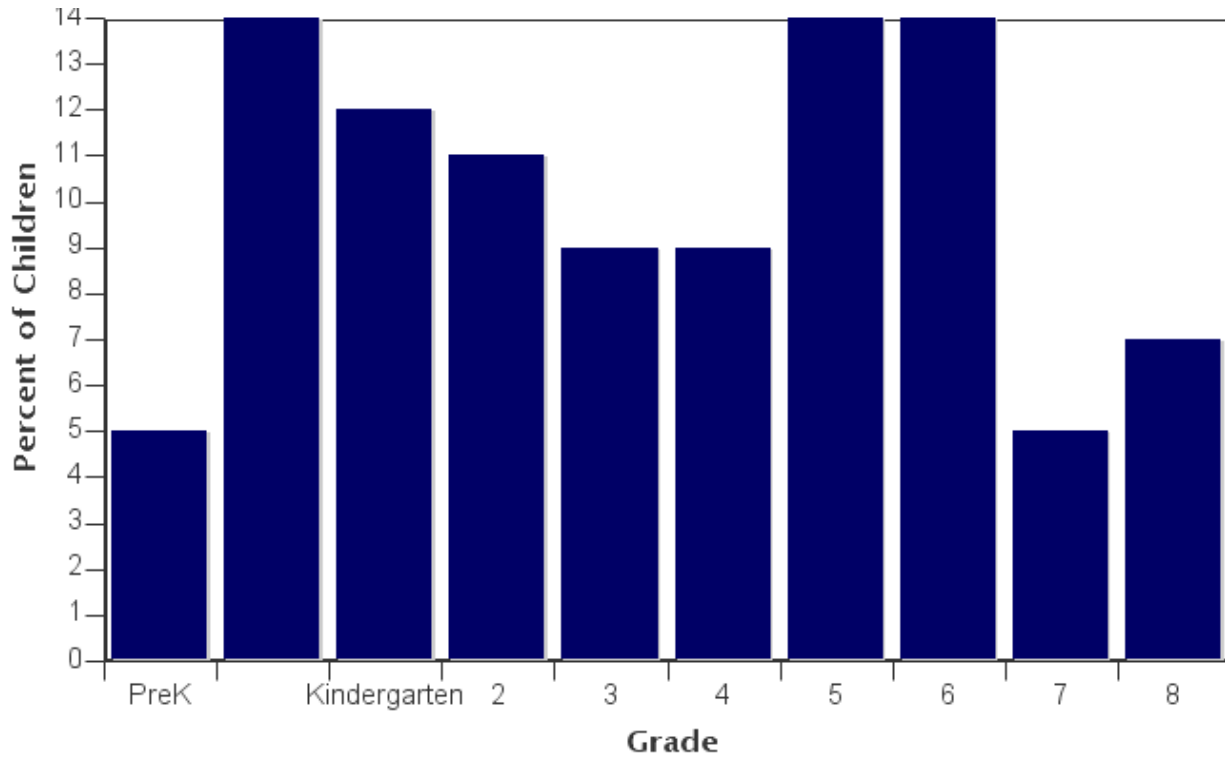

Number of Questionnaires Analyzed for Report: 57

This report contains information from parents about their children's trip to and from school. The report also reflects parents' perceptions regarding whether walking and bicycling to school is appropriate for their child. The data used in this report were collected using the Survey about Walking and Biking to School for Parents form from the National Center for Safe Routes to School.

Sex of children for parents that provided information

No response: 24

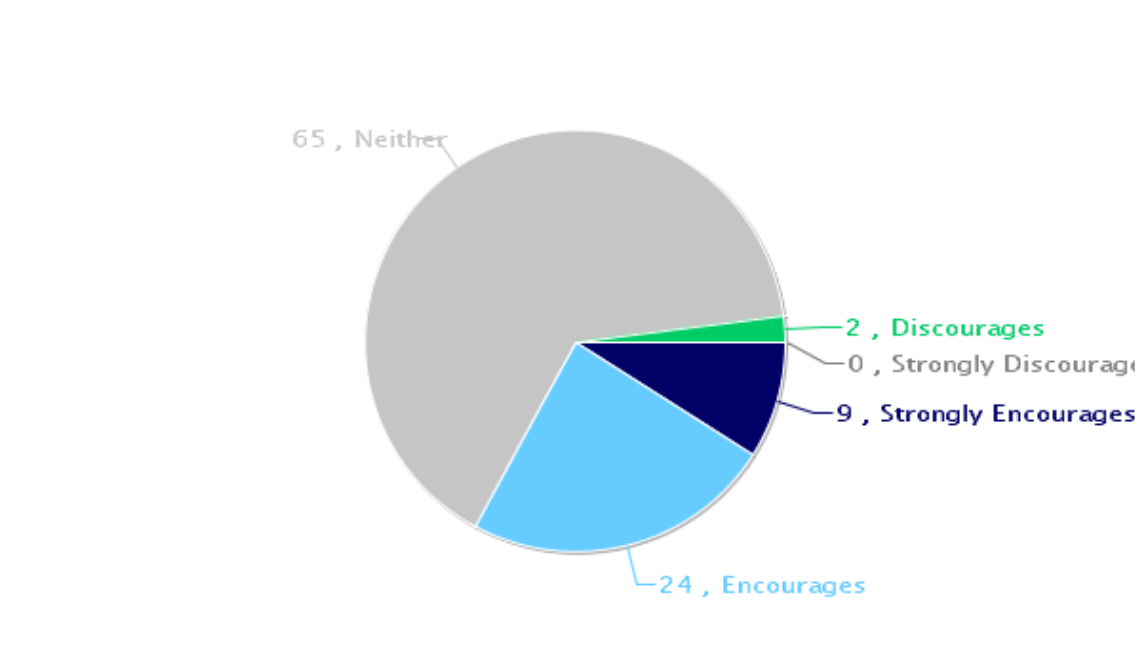

Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

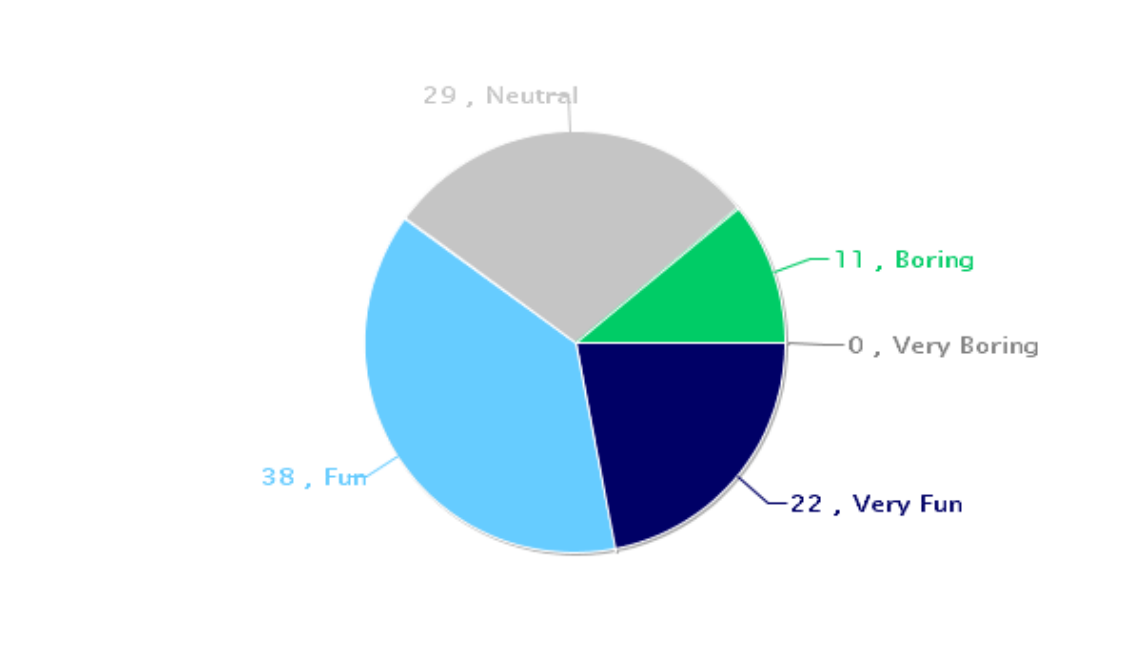

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

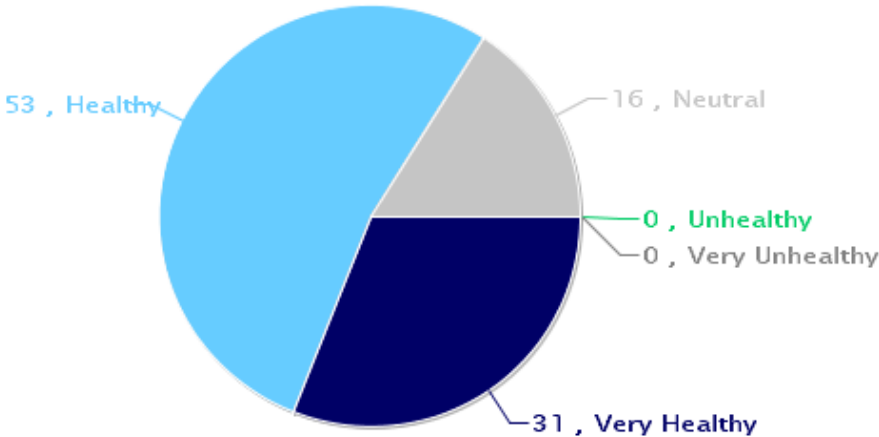

Parents' opinions about how much their child's school encourages or discourages walking and biking to/from school

Parents' opinions about how much fun walking and biking to/from school is for their child

Parents' opinions about how healthy walking and biking to/from school is for their child

Comments Section

| SurveyID | Comment |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1648126 | My children would love to walk/bike to school but we do not live in the same town. |
| 1648172 | Thanks for being awesome teachers! |
| 1647979 | My biggest concern with my child walking to and from school is his unawareness of situations and environment. He is distracted easily and would not know what best to do in a dangerous situation. |
| 1648134 | We need better streets, sidewalks and crosswalks. |
| 1648180 | Me preocupa cuando este mas frio y llueve, porque yo no manejo para llevaros. |
| 1647974 | Road improvement, especially on Pacific Avenue is greatly needed. There are no sidewalks or road markings at all on Pacific. |
| 1648128 | Would like to see money go to sidewalks on Painter, Ireland, Belview, Pacific Streets where our kids are walking to/from school. |
| 1648175 | Eeloa/Wildwood intersection is not safe. |
| 1648024 | I feel like it's good to get the kids up and moving first thing cause it wakes them up, and also gets some off the extra morning energy out so they can focus more in class. |
| 1648132 | If there weren't any sex offenders around here, I might let her ride her bike to school. |
| 1648171 | Our kids will never walk by themselves because what I saw -- the people driving on Painter Street not following the speed limit and a lot of drug addicts on the street walk by. Also no sidewalk and crossing path. |
| 1647986 | Will be good if provide sidewalk, crossing guard, and walk with adult. Is more safe that way. Not everyone follows the speed limit. |
| 1648033 | My child's school does not offer any transport such as a bus. |
| 1648125 | There is no safe way to walk from Painter Street to the school, there isn't even a crosswalk on the entire street. |
| 1648137 | When my child is old enough, I am excited to foster the encouragement needed for him to walk or ride to school. |
| 1648098 | We live in another town/school district |
