In Figure 2.4, "disadvantaged communities" are defined by the following criteria.
(Criteria are based on definitions and data from the U.S. Census (2016 5-year ACS data).)

☐   Conditions A – Census block groups with indicators:
   o   Racial/ethnic minority – where 20% or more of population is either Hispanic or not White,
        and
   o   Households with low incomes (80% or less than the statewide median household income)

☐   Conditions B – Census block groups with indicators:
   o   Households with low incomes (80% or less than the statewide median household income),
        and
   o   at least 3 of 9 following variables
      1. Poverty – where 45% or more of population lives at 200% or less of the federal poverty.
      2. Unemployed – Census block groups where 20% or more of the labor force is unemployed.
      3. Elderly – where 10% or more of population is aged 75 or older.
      4. Young – 20% or more of population is under age 18.
      5. Linguistic isolation – where 5% or more of households have no one over 14 who speaks English only or speaks English very well.
      6. Limited mobility-vehicle access – where 40% or more of housing units with 0-1 vehicles
      7. Limited mobility-active transportation – Smaller block groups without bike facilities access within ½ mile radius.
      8. Limited mobility-transit – Smaller block groups without transit access within ½ mile radius.
      9. Housing cost burden – where 20% or more of occupied housing units pay more than 50% of household income in housing costs.
