No response: 25

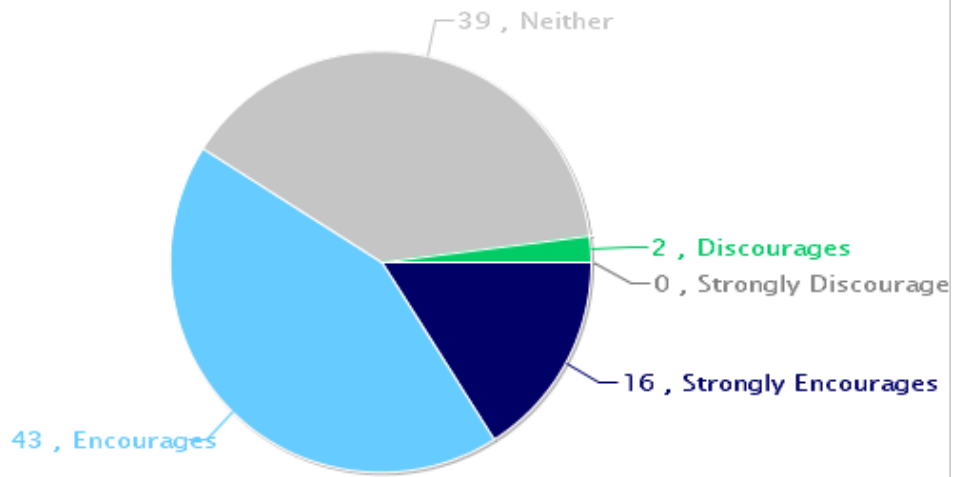

Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

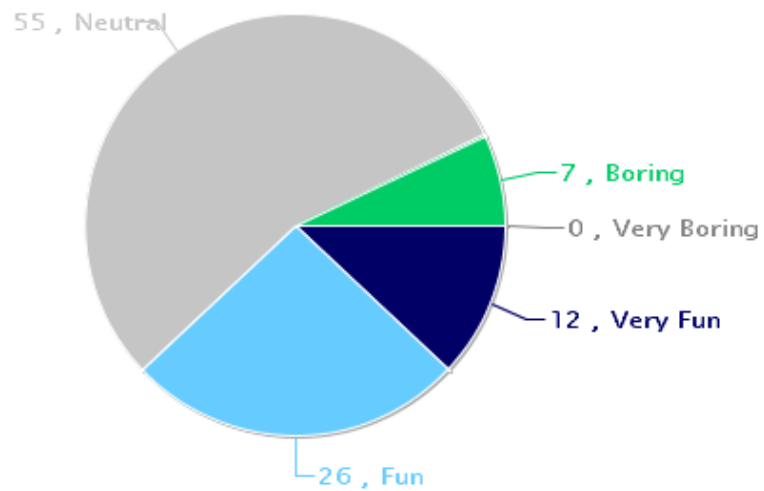

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

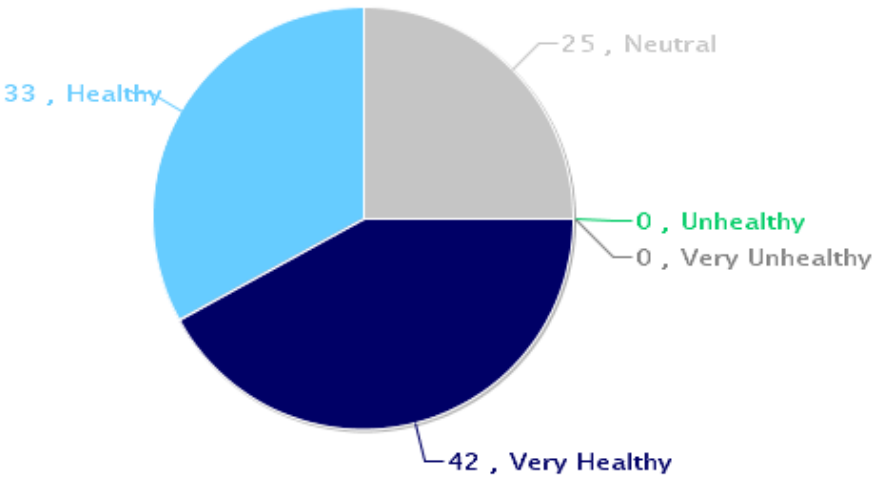

Parents' opinions about how much their child's school encourages or discourages walking and biking to/from school

Parents' opinions about how much fun walking and biking to/from school is for their child

Parents' opinions about how healthy walking and biking to/from school is for their child

Comments Section

SurveyID	Comment
1693685	My children all have some type of special needs plus I am disabled. I would love to be able to afford bikes as well. Thanks
1693338	marked school bus and family vehicle for arrive and leave school on #6
1693350	I would love to let my daughter and soon to be my son to at least take the bus and walk w/myself and teachers from JoAnn, but honestly I have epilepsy and forget everything! (lol) but seriously
1693352	Traffic and lack of traffic enforcement and crossing guards have created a congested and dangerous area in front of Grant on multiple occasions, I have witness kids and adults get hit by speeding vehicles in front of the school.
1693503	If I had the tiome in the morning I would walk my son to and from school. Wouldn't use trekking Tuesdays because I worry my son won't have time for breakfast.
1693505	I love that you gus have walk to school day.
1693614	All my children have some type of special needs. Plus I am disabled. I would love to be able to do this with them. Plus affording bikes is hard.
1693344	#6 arrive by family vehicle and carpool leave by walk, and family vehicle
1693358	Walking to or from school helps establish independence and responsibility. Helps develop confidence and a sense of accomplishment.
1693360	Walking to or from school helps establish independence and responsibility. Helps develop confidence and a sense of accomplishment.
1693487	I do agree with my child walking to or from school, but the school district bus is a great option for parents.
1693611	My son would need a walking buddy. Our street is relatively safe, but I have encountered "characters" enough times to not let him walk alone yet.
1693353	My son lacks the judgement and caution to walk y himself, and we adults cannot walk the distance comfortably.
1693609	#6 arrive to school marked school bus and family vehicle
1693500	Live too far from school for him to walk to school, not enough time to walk him myself from the schools meeting at Joannes. Not comfortable leaving him with others.
1693501	Not in favor with elementary children having to walk to school. It's not safe!
1693513	#6 marked both family vehicle and carpool for arrive and leave from school "NA"
1693336	I do nto want my child walking to or from school!
1693479	#7 Time from school marked "We live to far away to be able to walk/ride to go to school

1693504	2nd grader gets drove to school, 7th grader goes to zane and walks home from school
1693626	#7 parent marked 11-20 and more than 20 min. for both to and from school questions.
1693627	#7 Marked 11-20 min and more than 20 min for travel time both to and from school
