1636304	Si entiendo un poquito ingles pero por favor me puedon en espenol por favor muchos gracias
1636424	There are too many yield signs on the way home. Until that is changed with safer crosswalks and paint, we will not be allowing our daughter to walk.
1642272	I need to move closer. That will help me too.
1636314	There's too much crime in the area for the kids to walk to school. Or to the bus stop for them to walk for there self.
1636411	I don't feel my child is responsible enough to ride his bike to school even if we were real close.
1642281	I would allow my 1st grader to ride to and from school with his older brother (5th grade). Another concern would be theft of their bikes while in class or after school.
1642287	Por ahorita mi nino no caminara nosotros lo yebaremos y los recogeemos. gracias
1636352	We do not want our child going anywhere alone, reg. of how close we live, or in any other case.
1636385	I would rather they didn't go by themselves but we have no choice as they are in the walk zone.
1636392	Child has ADHD with very impulsive behaviors, has walked with daddy-his home closer
1642222	Crossing guards would help a lot!
1642286	Wish there was a school bus. I believe we should be far enough to warrant a school bus.
1636410	Myrtle Avenue is too busy to have my daughter walk or bike to school. The back route would take her into a secluded area.
1636369	My children will not be walking to school because it is over a mile away. There are many highly trafficked streets between home and school. We do other activities for exercise (park, beach/etc.)
1636399	Elementary school-age is too young to walk/bike w/out an adult. Last week I let 2 young girls on scooters cross Myrtle towards Lafayette and they almost got hit by oncoming traffic!
