No response: 31

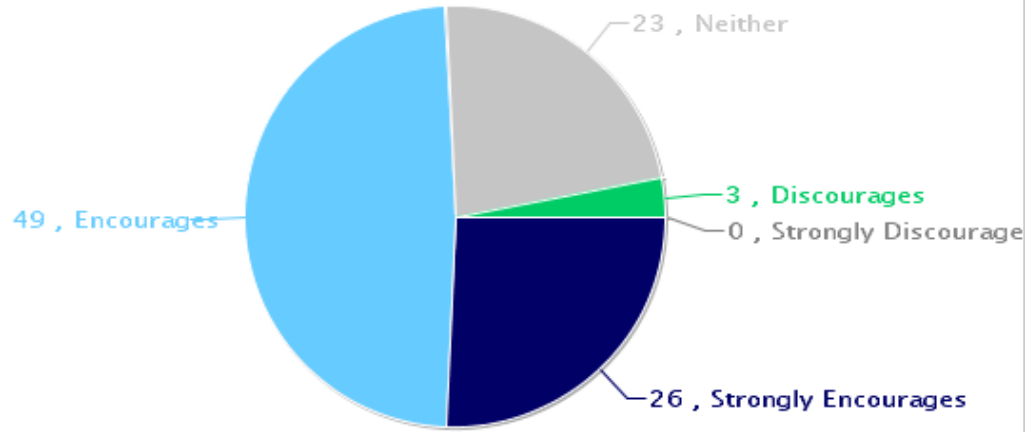

Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

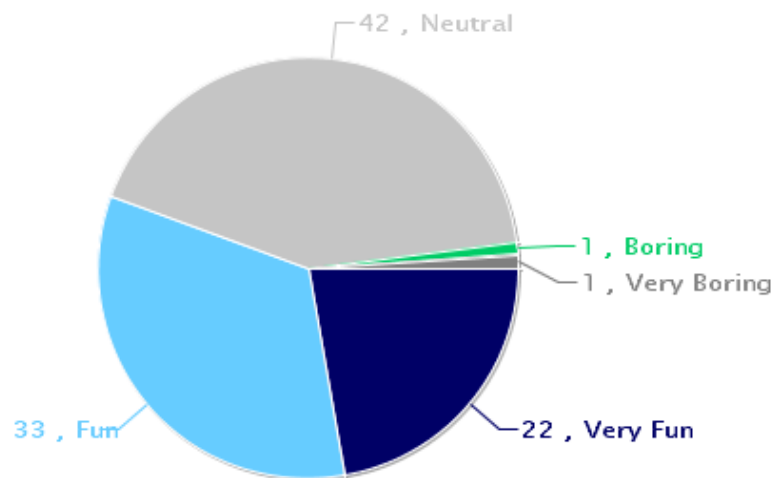

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

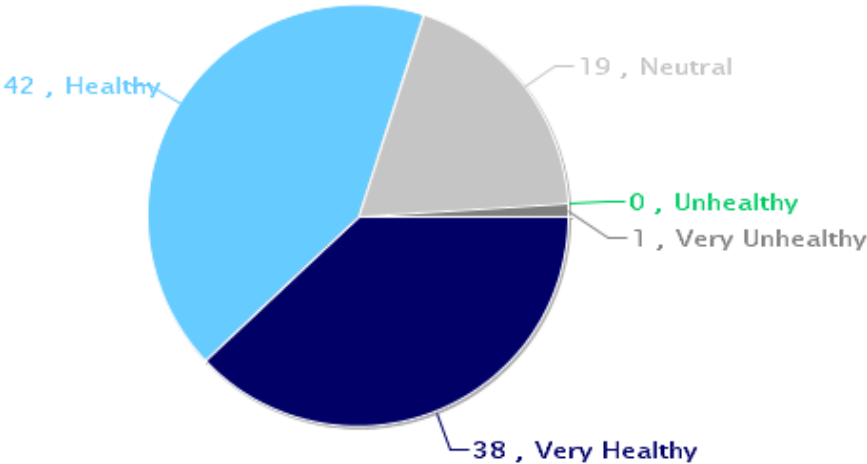

Parents' opinions about how much their child's school encourages or discourages walking and biking to/from school

Parents' opinions about how much fun walking and biking to/from school is for their child

Parents' opinions about how healthy walking and biking to/from school is for their child

Comments Section

SurveyID	Comment
1691270	to far away and traffic is crazy plus I would be afraid of strangers. (does bike to park) w/adult
1692481	#6 parent marked walk and family vehicle, logged as walk
1691797	There are "yield" signs in our neighborhood and not enough sidewalks so I don't feel comfortable allowing my child to walk to school. Too many intersections to cross.
1692482	#6 parent marked multiple entries including walk, logged as walk Parent comments below My child is hyper active and needs 1-1 supervision when walking/biking to school
1692850	Comments from #10 Speed... - Speed limit not the problem, speed people go is. Sidewalks.... - I like the trails Violence... - Major/biggest problem
1692844	Note from Question #7: Attends after school program offsite 16. Safety is my biggest concern. Both traffic and predators
1691845	Please provide Spanish.
1691434	In order for my child to walk to school, she would have to possess more situational awareness of her surroundings. She would also have to show me more awareness about safety being and staying safe in her environment.
1692847	My children love to meet on walk to school day and walk with faculty. I also want to say bullying on the bus was the reason they stopped taking it.
1691437	To many drug users and crimes in teh area. Homeless and other delinquents make walking to school not an option.
1691765	It is too dangerous these days to let a child walk to school.
1691750	My husband and I do not feel safe for our daughter to walk to and from school because of violence and crime. We don't feel the streets are safe for her to walk.
1691855	Crime is my biggest reason for not allowing my child to walk or bike to school, ever.
1691858	My children live far from school, they would have to catch the school bus if I don't take them. Also, Humboldt County is not the place to have elementary school kids walking with no adult.
1692849	My children will not be walking to school in Humboldt County
1691777	i just don't feel it is safe for my child to walk or ride to school alone. My decision is also affected by the fact that I was hit by a car while riding my bike when I was 9 years old.
1692484	We live too far, for me to allow my child to walk to and from school. he participates in walk to school Wednesdays (w/teachers and short distance) I will never allow my child to walk alone because of this crazy unsafe world we live in.
