1588116	Soon Belleview is suppose to get improved with bike lanes, but it's still a back highway for some. I see too many logging trucks, etc. speeding passed.
1588137	I worry about bullies and his safety.
1588107	I firmly believe that the more we foster an environment of healthy and safe choices, like walking to school, the more positive impact will not just be on our children but on the community as a whole!
