

Welcome to our space, yours, mine, ours.

This is a space to create, to relax, to be with ourselves and to share it with others.

It is a space of respect, mutual support, solidarity, collaboration and creativity.

It is a space where we can give form to our creative impulse, and to voice our desires and concerns through the arts.

We recognize our individual differences. We respect our individual differences.

We believe the arts are a transformative medium for self-knowledge, self-worth and collective contribution toward the world we deserve.

Violent behavior, through words or actions, and art that incites violence will not be tolerated.
