Number of Questionnaires Distributed: 0

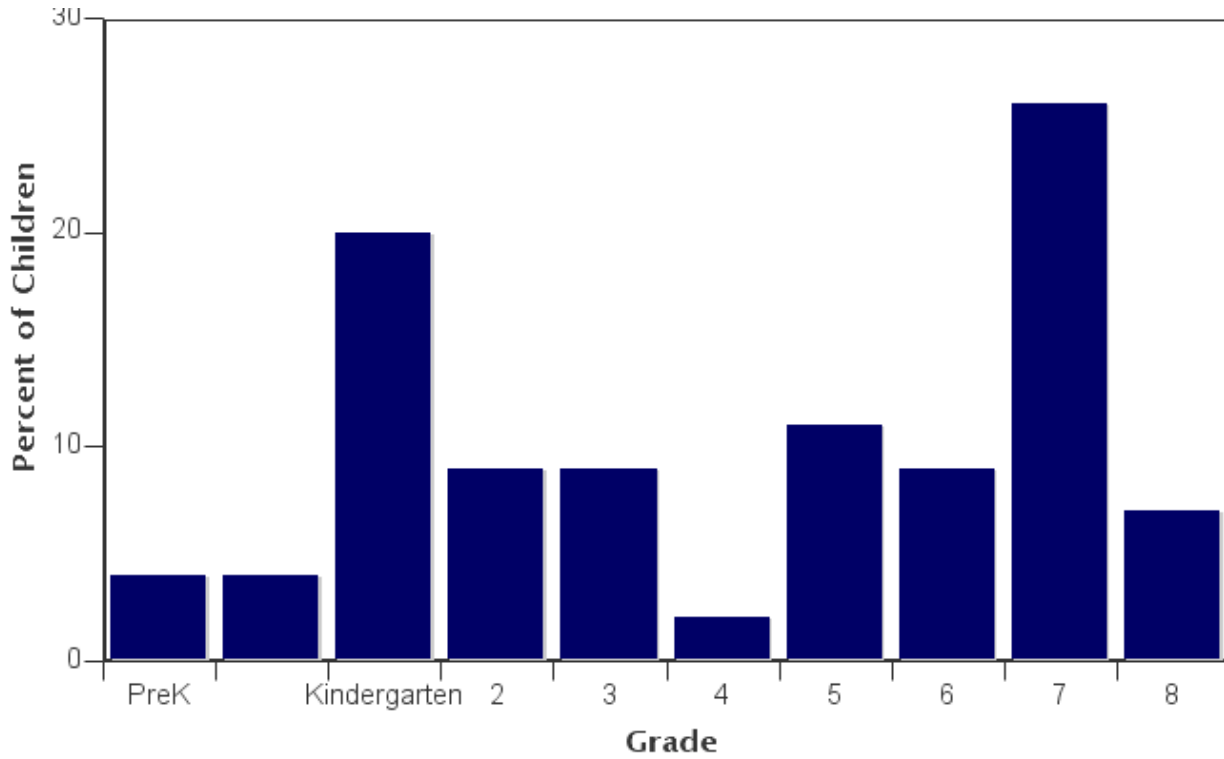

Number of Questionnaires Analyzed for Report: 46

This report contains information from parents about their children's trip to and from school. The report also reflects parents' perceptions regarding whether walking and bicycling to school is appropriate for their child. The data used in this report were collected using the Survey about Walking and Biking to School for Parents form from the National Center for Safe Routes to School.

No response: 21

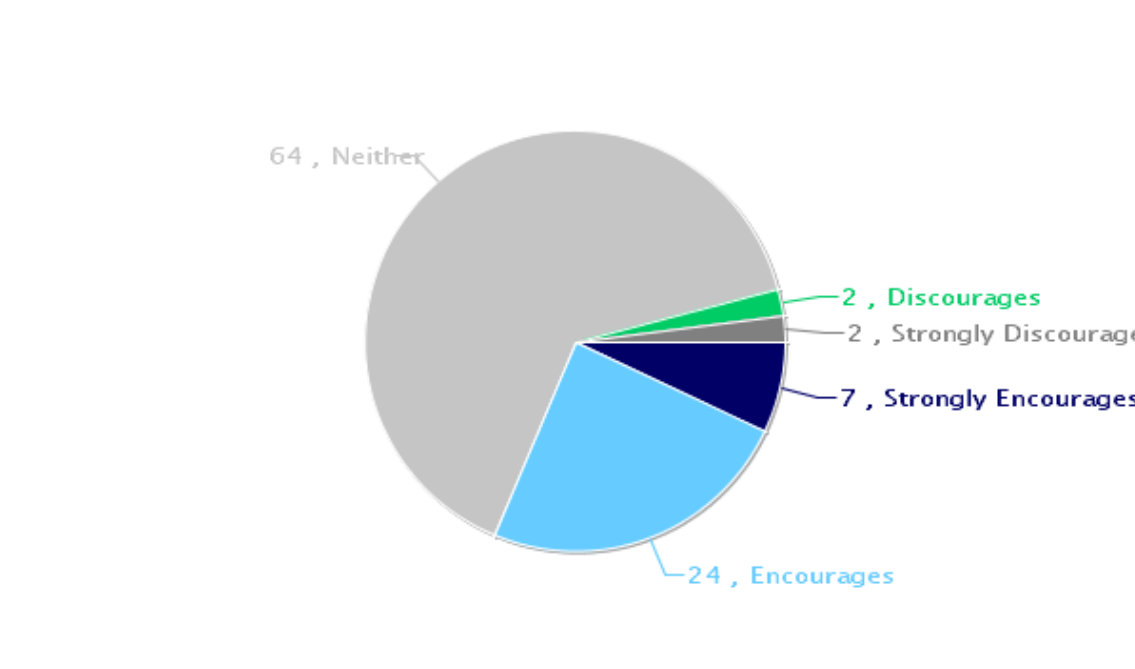

Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

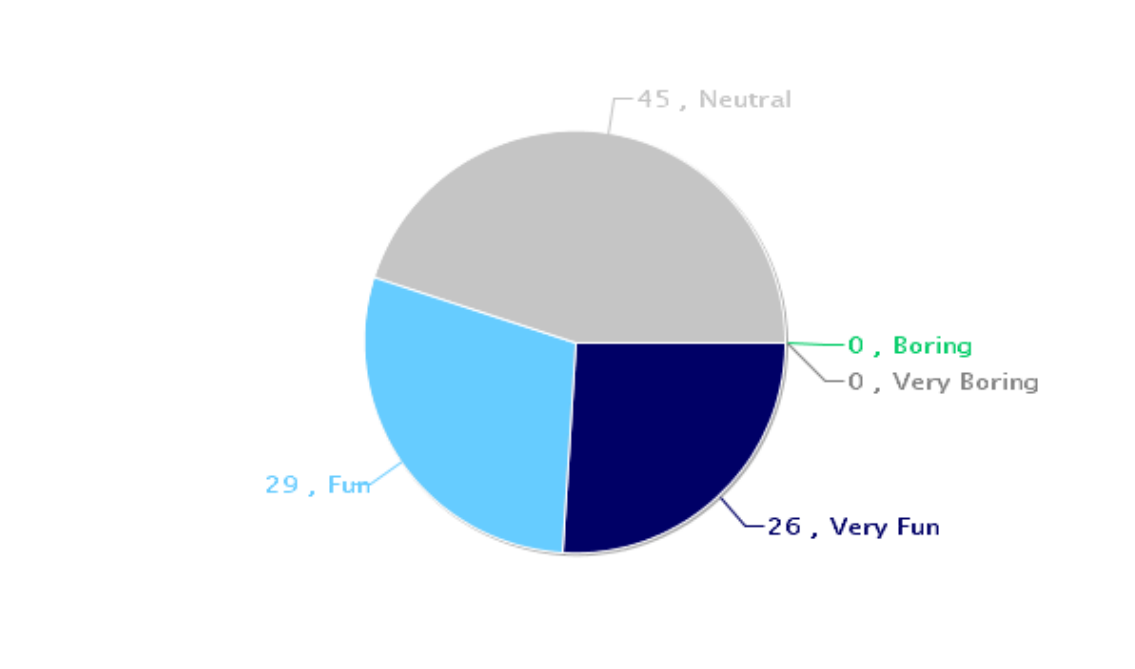

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

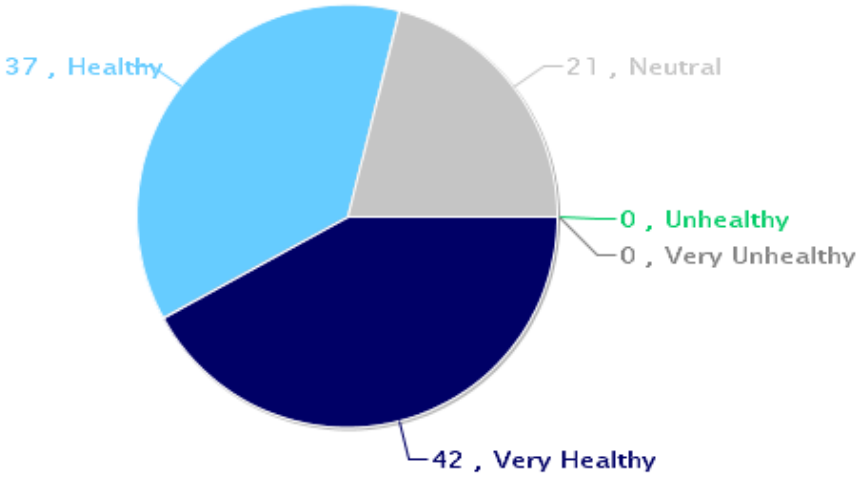

Parents' opinions about how much their child's school encourages or discourages walking and biking to/from school

Parents' opinions about how much fun walking and biking to/from school is for their child

Parents' opinions about how healthy walking and biking to/from school is for their child

Comments Section

SurveyID	Comment
1690826	My children walk to school with their 5th grade sister. Ages 5,6, and 10. We live about two blocks from school. I watch from home on trash day.
1690846	With all the bad people, people on drugs, kidnapping, and bad car drives no way. But kids want to bad by themselves.
1690870	We live 15+ miles from school. This survey is not applicable for my children.
1690833	I would like to maybe see some crossing guards?
1690875	We live in Rio Dell. Student has request to stay in the Scotia school district.
1690873	I feel safe for the most part with my son walking and riding his bike in Scotia. He is 13 and I still have him call me and let me know where he is and when he gets there.
1690867	We don't live in Scotia, otherwise he would walk.
