---

1. Introductions
2. Overview of work plan for the study
3. A Primer - Mobility on Demand – *Imagine Possibilities*
4. Dialogue
  - Key Considerations
    - Problem identification – what is working and what is not? Where is service? Who has access, who doesn't?
    - What are unmet mobility needs in Humboldt?
    - What are the key local and regional origins & destinations? Job centers? Shopping? Schools? Medical services?
    - What are the critical markets in Humboldt? Employees? Youth? Seniors? Commuters?
    - What kind of service is justified, and viable, for Humboldt? For urban and rural areas?
    - What are future service requirements (including transit connectivity)?
    - What does the community want?
5. Next Steps
