No response: 34

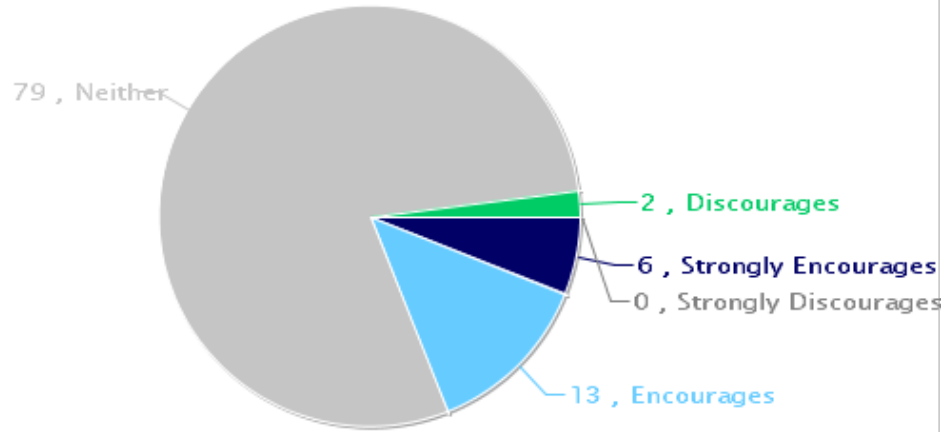

Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

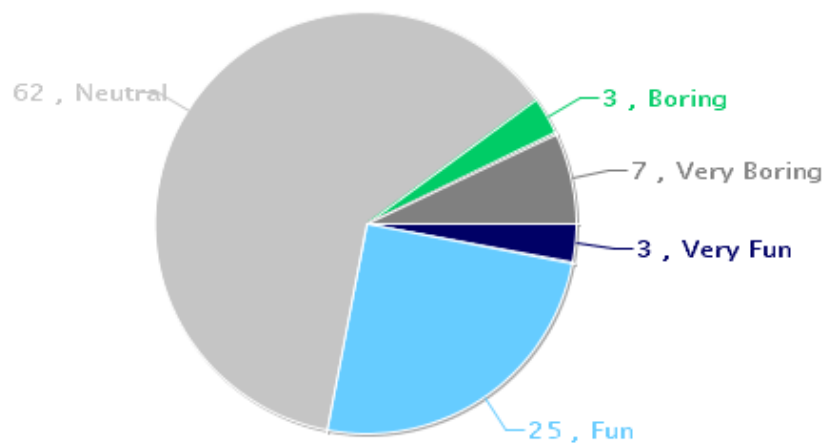

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

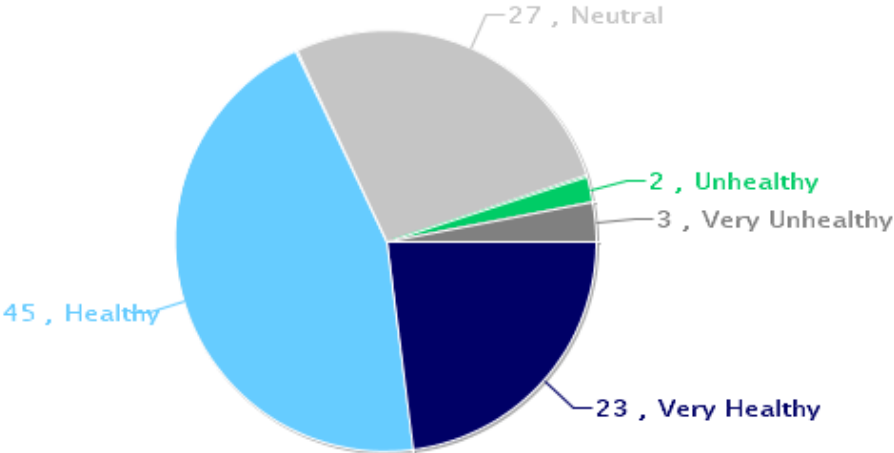

Parents' opinions about how much their child's school encourages or discourages walking and biking to/from school

Parents' opinions about how much fun walking and biking to/from school is for their child

Parents' opinions about how healthy walking and biking to/from school is for their child

SurveyID	Comment
1648268	Question #6: Student also arrives to school by family vehicle. Student also leaves from school by family vehicle and carpool.
1648292	Question #6: Student also leaves from school by school bus.
1648390	Question #7: by bus 1 hour. Our two children only have one 8th grd. to complete and the other child has only one more year before going to H.S. then they will have to ride the bus. We live too far.
1648359	Question #6: Student also arrives to school by carpool.
1648381	Question #6: Student also leaves from school by family vehicle.
1648459	Question #6: Student also arrives to school by family vehicle.
1648471	Home is too far from school. It would take her at least 3-4 hours of walking to get to school. One way.
1648497	Question #6: Student also leaves from school by carpool.
1648512	Question #6: Student also arrives to school and leaves school by family vehicle.
1648256	Question #6: Student also leaves from school by family vehicle. Vocational training- Data processing
1648301	Question #6: Student also arrives to school and leaves from school by family vehicle.
1648454	Question #6: Student also arrives to school and leaves school by school bus and other transportation.
1648491	We live in town on a very accessible, very angry, very usable intersection. From where we live it is expected for my son to walk across dangerous roads to use the school bus- NO WAY!!
1648403	Question #6: student also arrives to school and leaves from school by family vehicle and other transportation. Question #7: Student can also take 11-20 minutes to arrive to school or get home. We usually drop him off by the cutten elementary crosswalk and he skateboards to school. He lives on home drive & in Loleta both to far to go on his own.
